NL - Montage instructies:

- Neem deze handleiding zorgvuldig door vóór u begint met de montage
- Volg de handleiding aan de hand van de afbeeldingen
- Wij adviseren de montage met twee personen uit te voeren
- Zorg tijdens de montage voor een zachte, beschermende ondergrond
- Gebruik alleen het meegeleverde bevestigingsmateriaal
- Het aandraaimoment van alle boutverbindingen is 15 - 20 Nm max.
- Maximale laadcapaciteit is 200 kg gelijkmatig verdeeld

GB - Mounting instructions:

- Carefully read this manual before assembly
- Refer to the illustrations in this manual when assembling
- It is recommended to mount the Cargo Slider with two persons
- Put all parts on a soft, protective surface when assembling the Cargo Slider
- Only use the mounting materials included in the delivery
- The tightening torque of the bolt connections is max 15 - 20 Nm
- Max load capacity of 200 kg spread evenly across the deck

FR - Instruction de montage:

- Lisez attentivement ce manuel avant d'entamer le montage
- Suivez le manuel à l'aide des photos
- Nous vous conseillons de faire le montage à deux personnes
- Prenez soin d'une base douce et protectrice pendant le montage
- Utilisez uniquement le matériel de fixation fourni
- Le couple de serrage de tous les boulonnages est de 15 - 20 Nm au maximum
- La capacité de charge maximale est de 200 kg uniformément réparti

DE - Montage anleitung:

- Lesen Sie die Montageanleitung vor Beginn der Montage sorgfältig durch
- Folgen Sie der Anleitung an Hand der Fotos
- Es wird empfohlen die Montage mit zwei Personen durchzuführen
- Sorgen Sie beim Zusammenbau für einen sauberen Untergrund
- Gebrauchen Sie nur das mitgelieferte Befestigungsmaterial
- Drehmoment für alle Schraubverbindungen 15 - 20 Nm max.
- Die maximale Tragfähigkeit beträgt 200 kg gleichmäßig verteilt
